

ATTENDANCE REPORT CARD

National Assembly of Pakistan

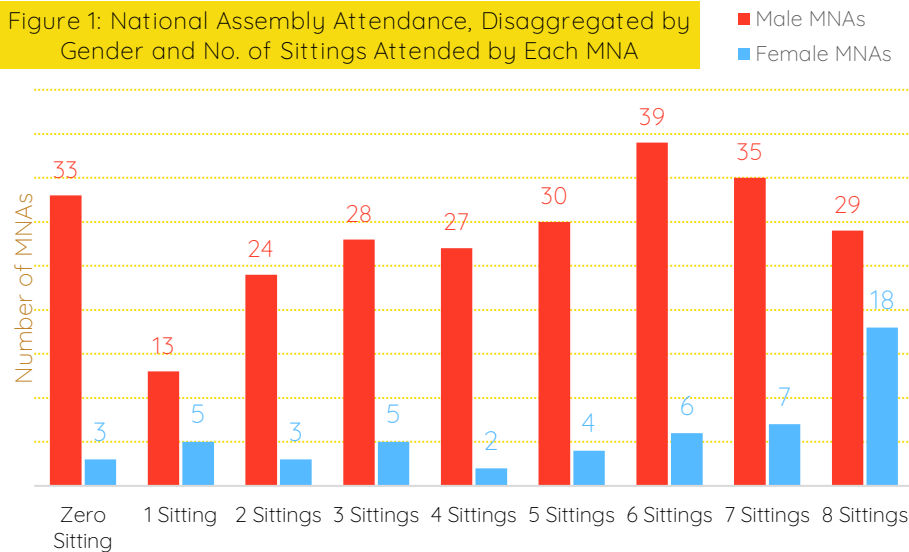

Session **14**
Parliamentary
Year 2

March 11 -21, 2025

As many as 47 (15 percent) Members of the National Assembly (MNAs) attended all sittings, whereas 36 (12 percent) did not attend any sitting during the 14th session of the National Assembly that spanned over eight sittings between March 11 and 21, 2025. Following chart shows the gender-disaggregated number of lawmakers grouped by the number of sittings they attended during the reporting session:

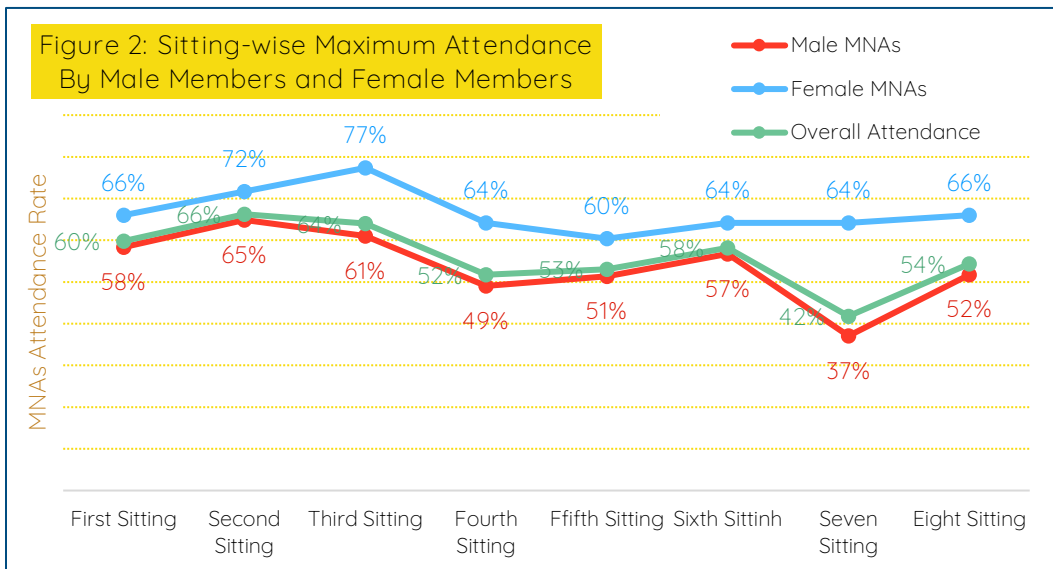

Figure 1: National Assembly Attendance, Disaggregated by Gender and No. of Sittings Attended by Each MNA

KEY HIGHLIGHTS

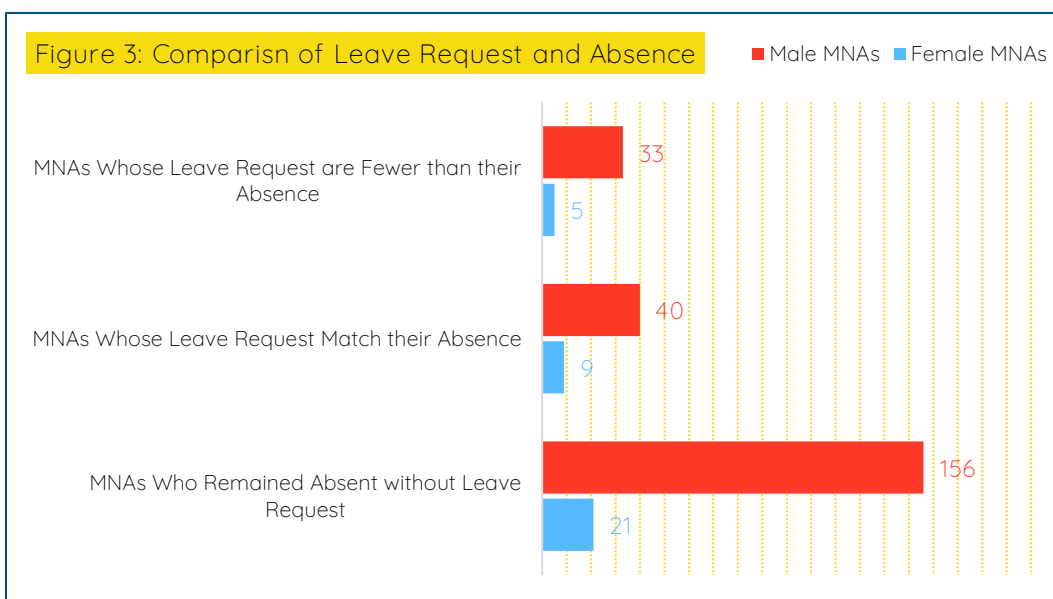

- The second sitting had the highest number of MNAs (206 or 66 percent of current membership) present during the session.
- The seven sitting had the lowest number of MNAs (130 or 42 percent) present.
- As many as 264 (85 percent) MNAs skipped at least one sitting during the session.
- As Many as 87 (33 percent of 264) MNAs submitted applications for leave of absence during the session.
- As many as 177 (67 percent of 264) MNAs skipped the House proceedings without any formal leave application in advance.
- Among the cabinet members, three federal ministers and three state ministers recorded the highest attendance, each attending seven sittings.
- Prime Minister did not attend any sitting while the Leader of the Opposition attended three sittings (38 percent).

Female members consistently recorded higher attendance than their male counterparts during the reporting session. The highest attendance was noted during the second sitting, with 206 members present — 66 percent of the current membership. Despite high attendance, the sitting did not take up most of its scheduled business. The lawmakers highlighted the issue of ministerial absence during the sitting. The sitting saw opening of debate on Presidential Address to the Parliament by the Leader of Opposition. The lowest attendance during the session was noted in the seventh sitting, with only 130 members (42 percent) present. The sitting was adjourned after just ten minutes as the Deputy Speaker expressed displeasure over the absence of ministers during the question hour. Figure 2 presents a gender-disaggregated view of attendance percentages across the sittings.

177 MNAs skip sittings without advance leave request

An analysis of the attendance and the leaves applications read during the proceedings shows that 264 members — 85 percent of the current strength — missed at least one sitting during the current session. However, only 89 (28 percent of these 264) submitted an application seeking leave from the House for their absence. Amongst these 89, 23 (26 percent of applicants) applied for leave in advance while 29 (33 percent of applicants) applied ex-post facto after returning from their leaves. The leave applications of the remaining 35 (40 percent) applicants were read on a day falling in the middle of their period of absence. Only 49 members (56 percent of applicants) sought approval for the entire duration of their absence, while the remaining 38 (44 percent) were absent for a longer period than the number of days for which they had requested leave. As many as 177 members (57 percent of those skipping at least one sitting) remained absent without submitting any application during

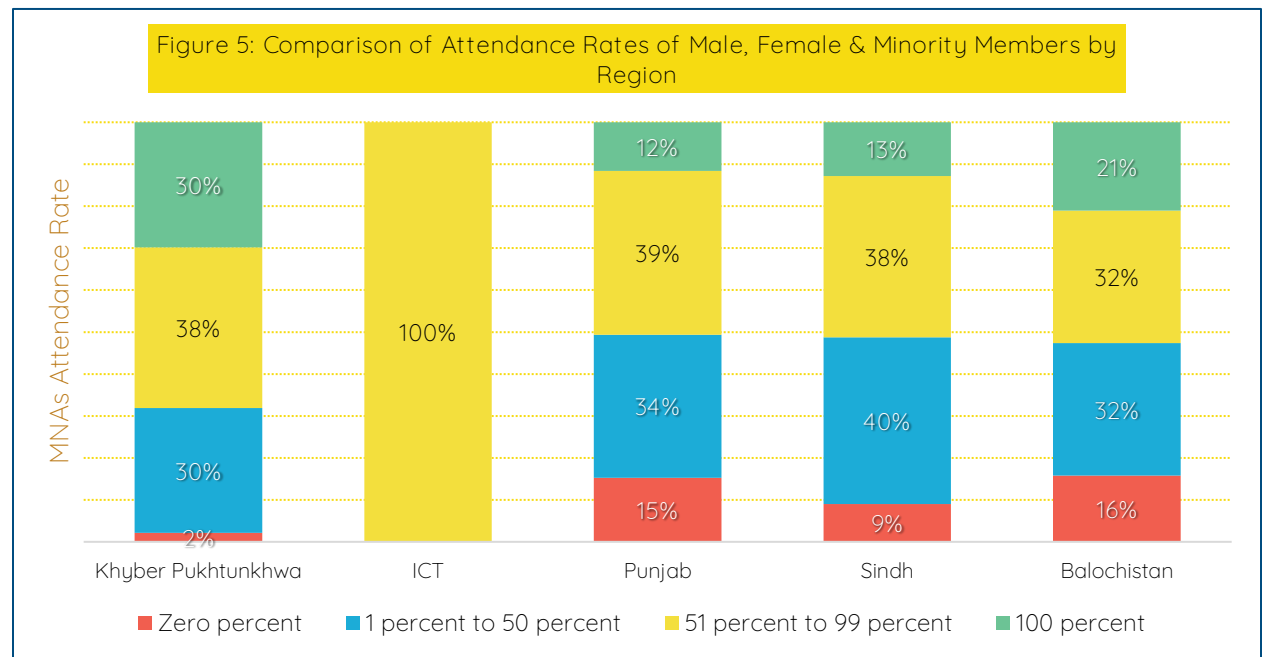

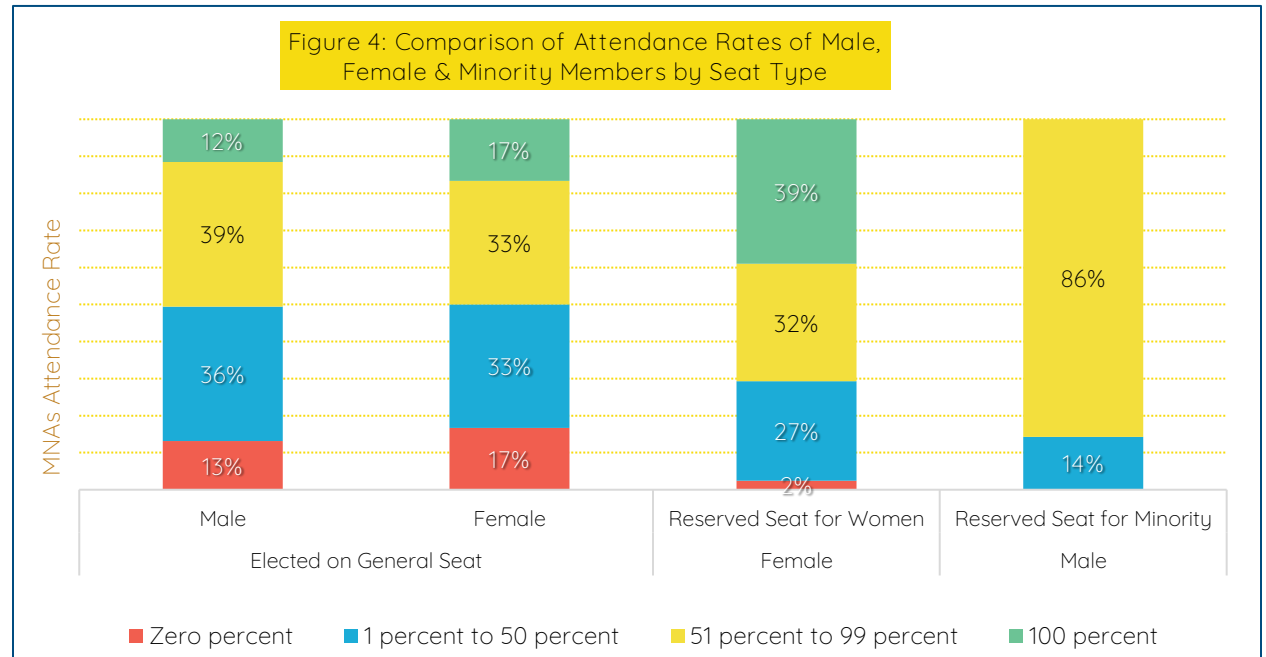

the session. As many as four MNAs applied for leave of the House for staying absent during the previous session(s). Figure 3 presents a gender-wise comparative of leave request and absence.

A total of 18 female MNAs including 16 on reserved seats and two on general seats (34 percent of total female membership) attended all sittings. As many as three female MNAs (six percent) – two on general seats and one on a reserved seat – recorded zero attendance. Among seven minority members, six attended more than half of the sittings. Regarding male MNAs elected on general seats, 33 (13 percent) did not attend any sitting, 91 (36 percent) were present at less than half, 127 (51 percent) attended more than half of the sittings including 29 (12 percent) who were present during all sittings. Figure 4 presents a comparative analysis of attendance rates, disaggregated by seat type and gender.

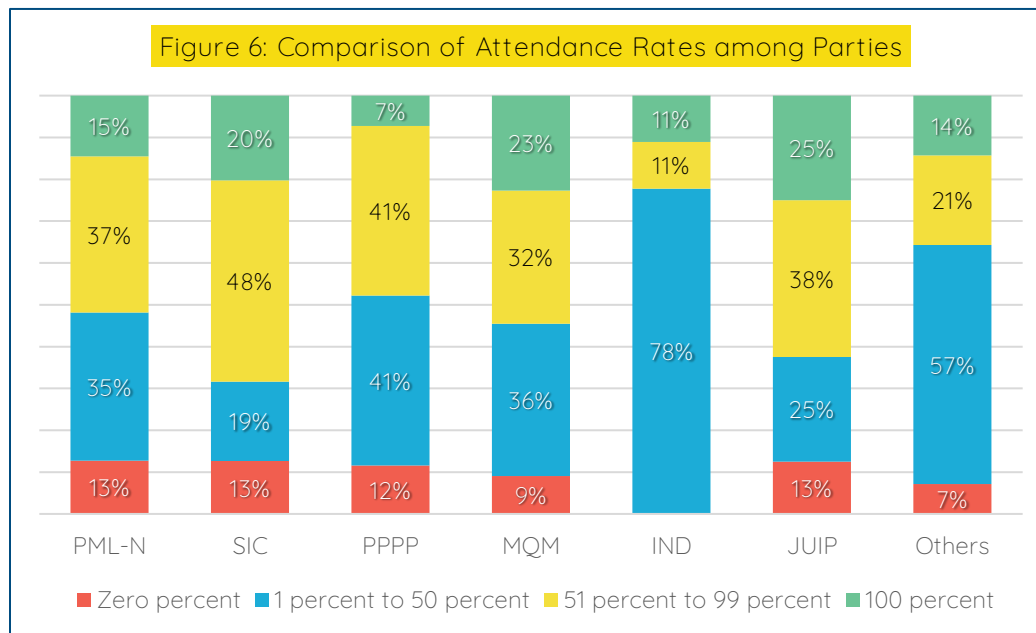

Regionally, Khyber Pakhtunkhwa and Islamabad Capital Territory (ICT) recorded the highest percentage of MNAs attending more than half of the sittings. In total, all three (100 percent) MNAs from ICT, 32 (68 percent) from Khyber Pakhtunkhwa, 10 (53 percent) from Balochistan, 83 (51 percent) from Punjab and 40 (51 percent) from Sindh attended more than half of the sittings. However, three lawmakers from Balochistan (16 percent), 25 (15 percent) from Punjab, seven (9 percent) from Sindh, and one (two percent) from Khyber Pakhtunkhwa did not attend any sittings. Figure 5 provides a detailed breakdown of attendance rates by region.

Political parties show varying attendance trends

The majority of lawmakers from the Sunni Ittehad Council (SIC), Jamiat Ulama-e-Islam Pakistan (JUIP), Muttahida Qaumi Movement (MQM), and Pakistan Muslim League-Nawaz (PML-N) attended more than half of the sittings. Other parties with only one member, including the sole lawmakers from the National Party (NP) and Majlis-e-Wahdat-ul-Muslimeen Pakistan (MWMP), attended all sittings. The sole lawmaker of the Pakhtunkhwa Milli Awami Party (PKMAP) attended more than half of the sittings. In contrast, the sole lawmakers from the Balochistan Awami Party (BAP) and Pakistan Muslim League-Zia (PML-Z) each attended less than half of the sittings. Figure 6 shows the attendance rates categorized by parliamentary parties.

The bar titled as "Others" cover all parties with fewer than eight MNAs including BAP, BNP, MWMP, NP, PKMAP, PML, PML-Z, IPP. BNP's sole lawmaker has announced submitting his resignation, which is yet to be officially accepted as the National Assembly website currently shows him as a member.

Lack of ministerial presence weakens legislative oversight

Among the 29 Federal Ministers who were expected to be present during the Question Hour to respond to queries related to their ministries, only 11 (38 percent) were marked present during the sittings where their presence was required. Eight ministers (28 percent) did not attend any of these sittings. The remaining ten (34 percent) attended at least one sitting where they were expected to be present. In their absence, another cabinet colleague or relevant Parliamentary Secretary responded to the questions on their behalf. Lawmakers expressed concern over the repeated absence of relevant ministers from multiple sittings. The Deputy Speaker also made an observation and expressed displeasure over the continued absence of ministers during Question Hour, subsequently adjourning the house after ten minutes.

The Federal Ministers for Parliamentary Affairs, Public Affairs Unit, and Poverty Alleviation and Social Safety attended seven sittings each. Similarly, the Ministers of State for Railways, Planning

The incumbent cabinet comprises the Prime Minister and 31 Federal Ministers including 25 MNAs and six Senators. The cabinet members from the Senate are not ordinarily required to attend the Assembly's session unless there's an agenda item pertaining to their ministry. In addition to the federal ministers, as many as 11 MNAs hold the office of the Ministers of State and 24 of the Parliamentary Secretaries of various ministries.

Development and Initiatives, and Federal Education and Professional Training also attended seven sittings. Figures 7 and 8 illustrate the number of sittings each cabinet minister from the Lower House attended during the session, based on official attendance records available on the National Assembly website.

The Attendance Report Card of the Members of the National Assembly of Pakistan is an initiative by the Free and Fair Election Network (FAFEN) aimed at promoting transparency and accountability by making the performance of elected representatives accessible to the public. Their attendance serves as a key indicator of their commitment to legislative responsibilities, including representing their constituents, contributing to policy debates, and holding the government accountable.

This report presents a detailed analysis of MNAs' attendance during the plenary sittings of the National Assembly's 14th session, held from March 11 to March 21, 2025. It provides insights into attendance trends across regions, political parties, and gender, highlighting levels of engagement among lawmakers. The report relies on the verbatim debates for leave records of MNA.

Since 2010, FAFEN has been systematically observing and reporting on the plenary proceedings of the federal Parliament and Provincial Assemblies. These efforts have significantly contributed to enhancing parliamentary transparency and strengthening the connection between citizens and their elected representatives, fostering a more inclusive and accountable democratic process.
