

Members of National Assembly Attendance

Members of National Assembly Attendance

21st Session

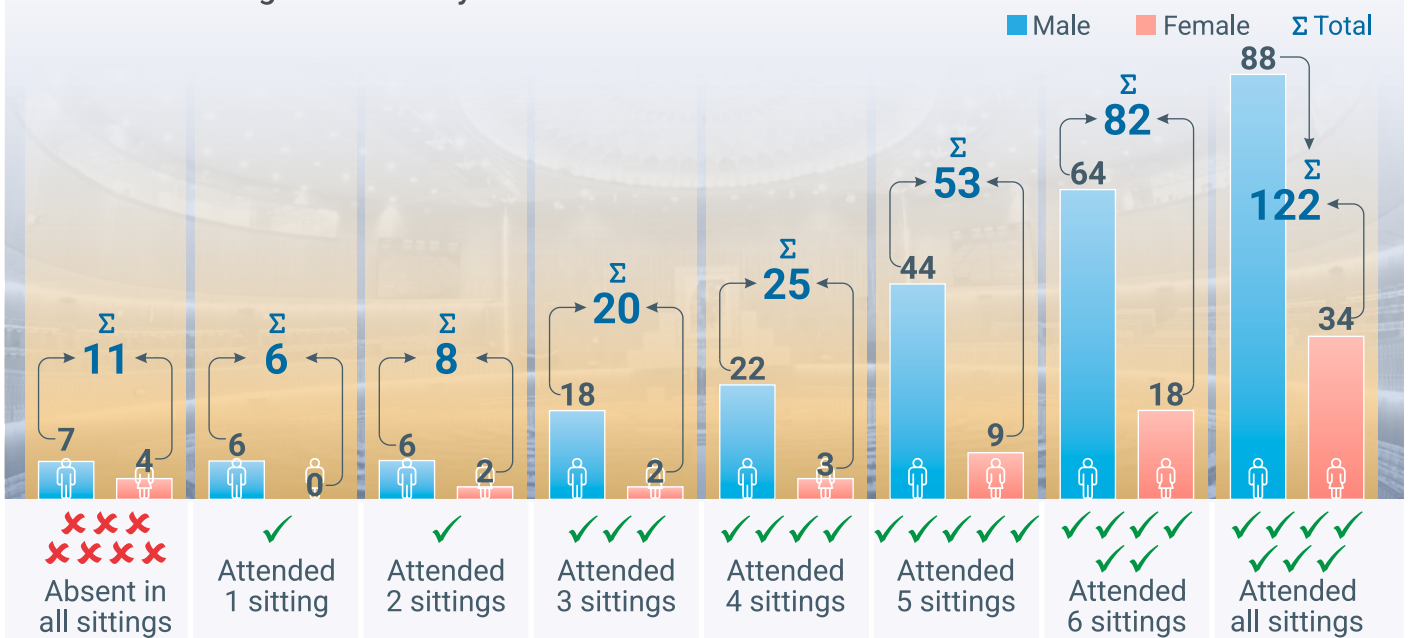

Parliamentary Year 2
November 05 - 10, 2025

During the 21st session of the National Assembly, which spanned seven sittings from November 5 to November 14, 2025, 123 members (38 percent) attended all sittings, while 11 members (three percent) were absent for the entire session. Figure 1 offers a gender-disaggregated breakdown of lawmakers based on the number of sittings that they attended.

123	38% Members	Attended all sittings ✓
11	3% Members	Absent for the entire session ✗

National Assembly Attendance, Disaggregated by Gender and No. of Sittings Attended by Each MNA

Figure 1

One member took the oath during the third sitting and was present in all subsequent sittings. Although he attended only five sittings in total—which places him in the 'all sittings' category in the subsequent analysis—the actual count in Figure 1 reflects the numerical range of sittings attended (0–7). Therefore, he appears under the 'five sittings' category in the figure.

Key Highlights

- The fifth sitting had the highest number of MNAs (297 or 91 percent of current membership) present during the session.
- The second sitting had the lowest number of MNAs in attendance (188 or 57 percent).
- Among the cabinet members, five federal ministers and four state ministers attended all the sittings.
- The Prime Minister attended two sittings during the session.
- The Leader of the Opposition has not yet been officially declared in the National Assembly.

Attendance Patterns by Sitting

Continuing from previous sessions, female members generally recorded higher attendance than their male counterparts, except during the sixth sitting when male attendance was higher. The fifth sitting had the highest attendance, with 297 members (91 percent of the current membership) present. During this sitting, the 27th Constitutional Amendment was enacted. Except for JUI-F, the opposition boycotted the proceedings, while independent members staged a noisy protest and tore documents during the session.

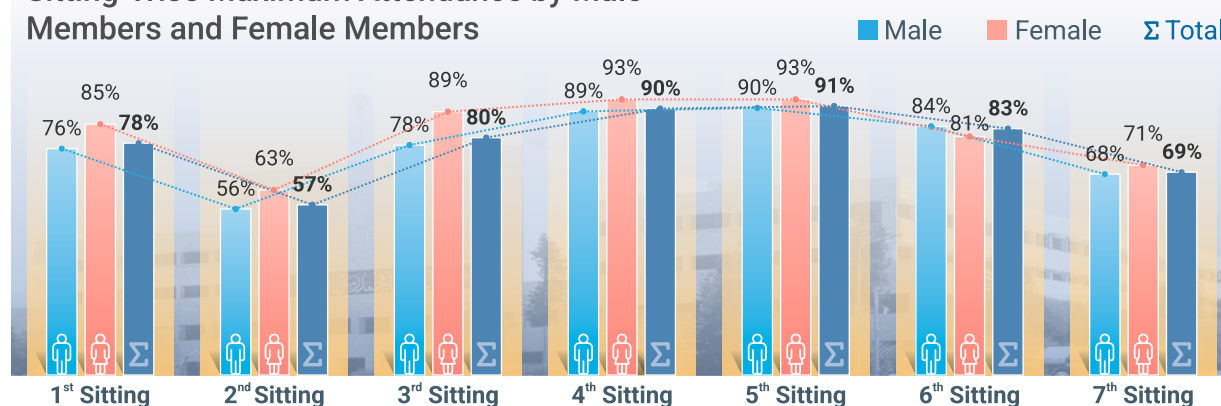

A strong positive relationship was observed between attendance and the constitutional

amendments. Maximum attendance is usually witnessed during the passage of such amendments, as party leaders also ensure their presence in the House. Understandably, constitutional amendments are considered more important than regular agenda items. Observations from major amendments reveal that the House is full only during constitutional business, whereas the benches are often empty during routine agenda items.

The lowest attendance was recorded during the second sitting, with only 188 members (57 percent) present.

Sitting-Wise Maximum Attendance by Male Members and Female Members

Figure 2

During this sitting, quorum was pointed out during Question Hour by an independent member; however, on count, the House was found to be in order. While comparing the attendance reported in the Daily Bulletin with the actual attendance record, a discrepancy was identified. For the fifth sitting,

the Daily Bulletin shows 296 members present, whereas the official attendance document records 297 members. This reflects an inconsistency between these two official sources. Figure 2 presents a gender-wise comparative analysis of the number of sittings attended.

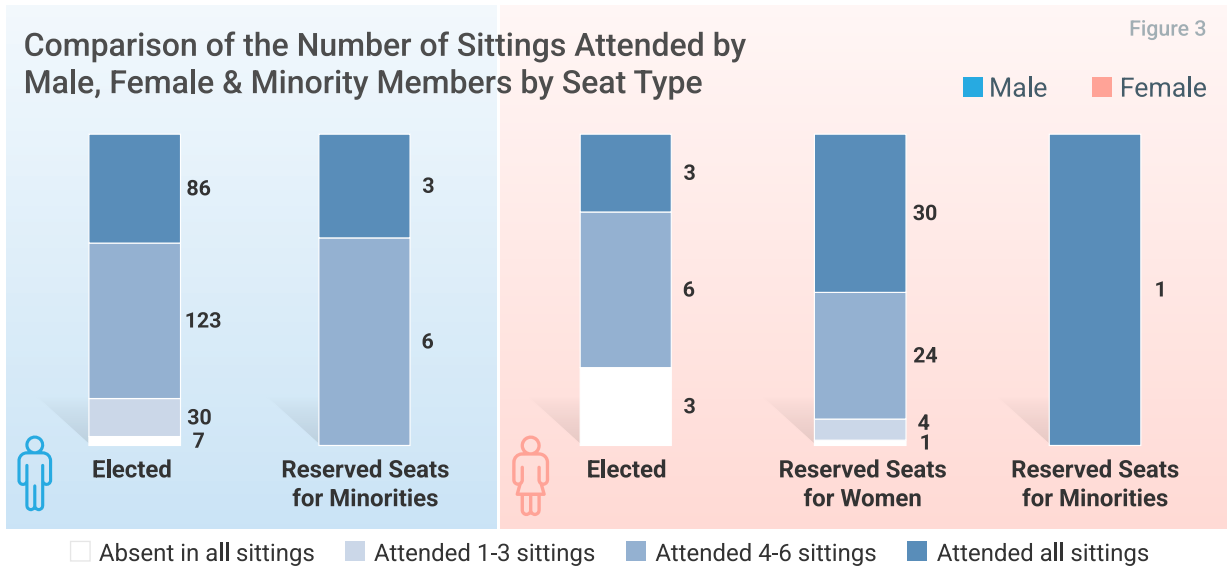

Attendance Patterns by Gender

As many as 64 female MNAs (out of a total of 72 female members) attended four to seven sittings. Thirty-four female MNAs (47 percent) attended all sittings: 30 on reserved seats for women, three on general seats, and one on a reserved seat for minorities.

Four female MNAs—three on general seats and one on a reserved seat for women—did not attend any of the sittings. Meanwhile, four female MNAs, all on reserved seats for women, attended only two or three sittings, which is less than half of the total number of sittings. A total of 218 male MNAs (85 percent) attended four to seven sittings. Among them, 89 male MNAs—86 on general seats and three on reserved seats for

minorities—attended all the sittings. Seven male MNAs elected on general seats did not attend any of the sittings. However, 30 male lawmakers attended one to three sittings, including six MNAs who attended only one sitting.

Among the six who attended only one sitting, four MNAs, Mian Muhammad Nawaz Sharif, Ali Gohar Khan Mahar, Syed Khursheed Ahmed Shah, and Abdul Qadir Patel, were present during the sitting in which the 27th Constitutional Amendment was passed. Maulana Fazlur Rehman and Syed Sami Ullah attended only the first and second sittings, respectively. Figure 3 presents a gender-wise analysis of the members based on the number of sittings they attended.

Attendance Patterns of Members on Minority Seats

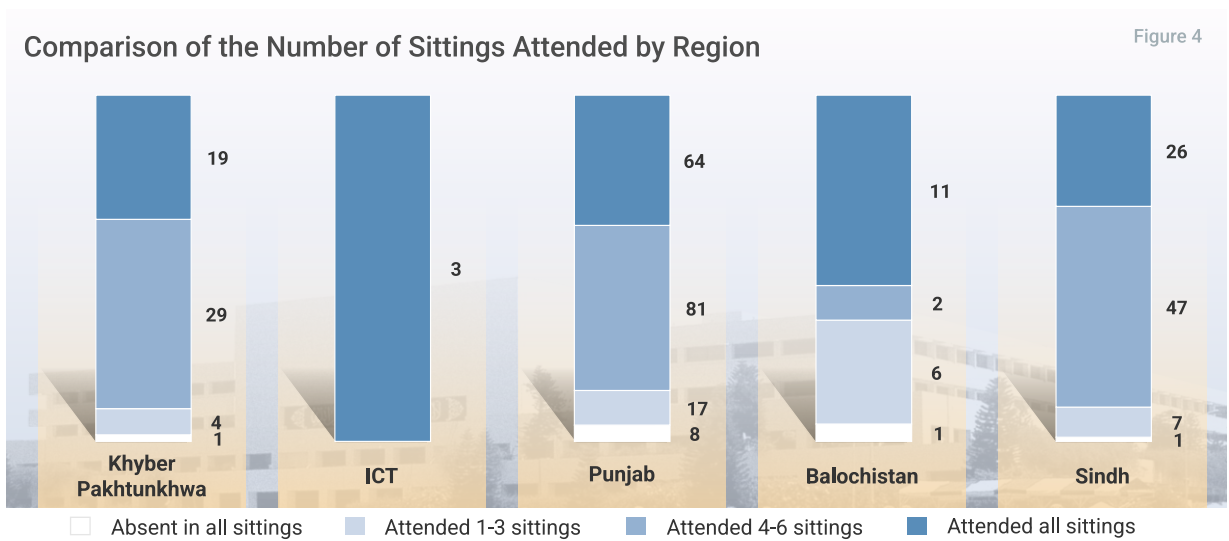

As many as 10 members representing minority legislators (nine male and one female) attended between four and seven sittings. Among them

four male MNAs and one female MNA attended all the sittings.

Attendance Patterns by Region

Regionally, across all provinces, most MNAs attended between four and seven sittings. All three MNAs from the ICT attended all the sittings. Meanwhile, Khyber Pakhtunkhwa's 48 MNAs (91 percent) attended four to seven sittings, including 19 who attended all sittings. Similarly, more than half of Sindh's MNAs (73 to 93 percent) participated in four to seven sittings, including 26

who attended all the sittings. Punjab saw 145 MNAs (85 percent) attending between four and seven sittings, with 64 attending every sitting. From Balochistan, 13 MNAs (65 percent) attended five to seven sittings, including 11 who were present at all the sittings. Figure 4 presents a region-wise analysis of the number of sittings attended.

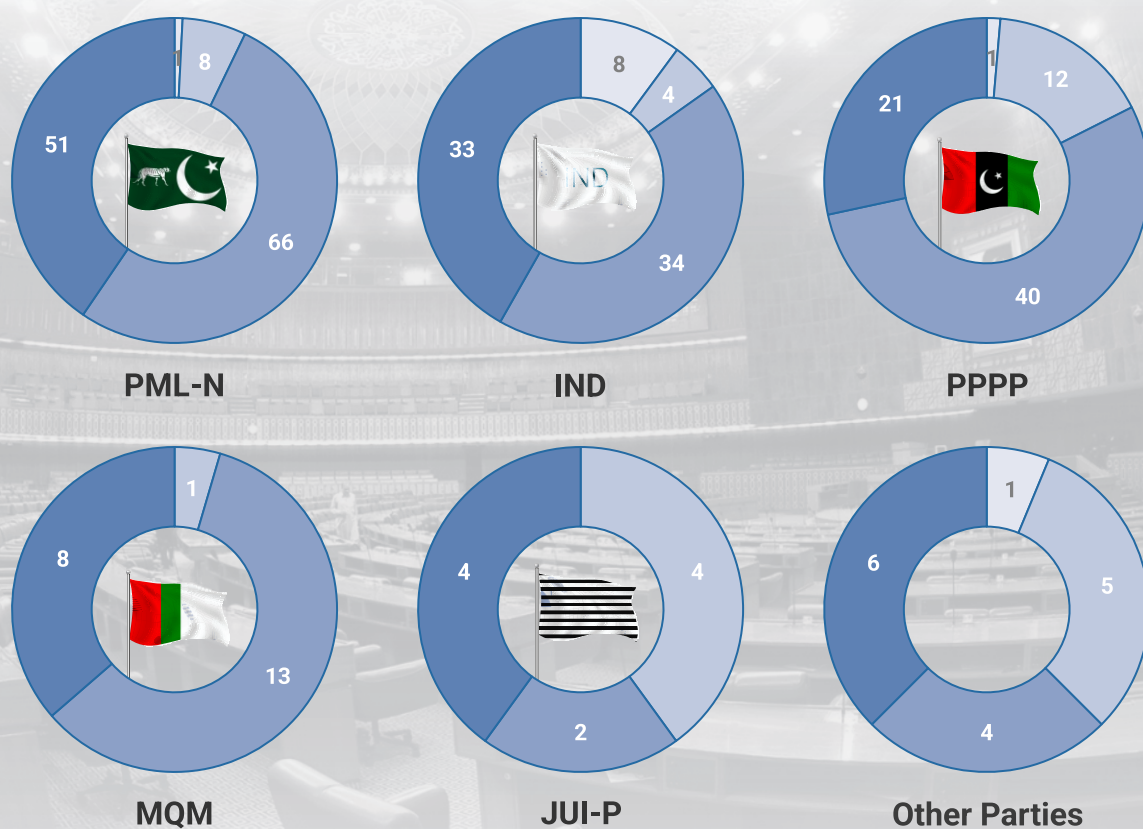

Attendance Patterns by Party

On October 9, 2025, the ECP declared all Sunni Ittehad Council (SIC) members (Pakistan Tehreek-e-Insaf-backed) as independent candidates, leaving only one person formally belonging to the SIC. Most legislators from the Muttahida Qomi Movement Pakistan, Pakistan Muslim League-Nawaz (PML-N), and Pakistan

People's Party Parliamentarians (PPPP) participated in more than half of the sittings, attending more than three sittings each. The sole members of the Balochistan Awami Party (BAP), Pakhtunkhwa Milli Awami Party (PKMAP), and Pakistan Muslim League-Zia (PML-Z) attended all sittings.

Comparison of the Number of Sittings Attended by Political Parties

Figure 5

Legend: ■ Absent in all sittings ■ Attended 1-3 sittings ■ Attended 4-6 sittings ■ Attended all sittings

The bar titled "Others" covers all parties with fewer than eight MNAs, including the SIC, BAP, MWMP, NP, PKMAP, PML, PML-Z, and the IPP. BNP's only lawmaker has stated that he is resigning, but the resignation has not yet been officially accepted, as the National Assembly website still lists him as a member. Out of 79 independent members, 75 are backed by SIC, while only 4 are aligned with the government.

The sole lawmakers from the Sunni Ittehad Council (SIC) and Majlis-e-Wahdat-ul-Muslimeen Pakistan (MWMP) attended five sittings, although the MWMP member was absent during the passage of the 27th Amendment. The sole representative of the National Party (NP) attended three sittings and was notably absent during the passage of the 27th Amendment.

Furthermore, 27 lawmakers belonging to opposition parties were not present during the passage of the 27th Amendment, while three lawmakers from coalition parties, each representing the PML-N, PPPP, and NP, also did not attend. Figure 5 presents a party-wise analysis of the number of sittings attended.

Ministerial Attendance

During the session, 29 ministers were scheduled to respond to members' questions. However, only 17 ministers were present. Of these, 16 attended all required sittings, while questions related to the Ministry of Overseas Pakistanis and Human Resource Development were listed in two sittings, but the minister concerned was available to respond in only one. The remaining 12 ministers did not attend any of the sittings. During the fourth sitting, a lawmaker belonging to the PPPP moved Motion 288 to suspend the Question Hour scheduled for November 12, as

the 27th Constitutional Amendment was being passed during the sitting.

Among those present, five federal ministers and four state ministers attended all the sittings. Additionally, 20 federal ministers and all state ministers attended between four and seven sittings, representing a notable improvement compared to previous sessions. Figures 6 and 7 show the number of sittings attended by each cabinet member from the Lower House, based on the official records available on the National Assembly website.

The incumbent cabinet comprises **55 members**, including the **Prime Minister** and **31 Federal Ministers** (25 MNAs and six Senators). In addition, there are **11 Ministers of State**, **four Advisors**, and **nine Special Assistants** to the Prime Minister. Furthermore, **24 Parliamentary Secretaries** assist the federal ministries but do not hold cabinet status.

The Attendance Report Card of the Members of the National Assembly of Pakistan is an initiative by the Free and Fair Election Network (FAFEN) aimed at promoting transparency and accountability by making the performance of elected representatives accessible to the public. Their attendance serves as a key indicator of their commitment to legislative responsibilities, including representing their constituents, contributing to policy debates, and holding the government accountable.

This report presents a detailed analysis of MNAs' attendance during the plenary sittings of the National Assembly's 21st session, held from November 5 to November 14, 2025. It provides insights into attendance trends across regions, political parties, and gender, highlighting levels of engagement among lawmakers. The report relies on the verbatim debates for leave records of MNA.

Since 2010, FAFEN has been systematically observing and reporting on the plenary proceedings of the federal Parliament and Provincial Assemblies. These efforts have significantly contributed to enhancing parliamentary transparency and strengthening the connection between citizens and their elected representatives, fostering a more inclusive and accountable democratic process.
